

**Lord's Day Service of Worship  
Lewinsville Presbyterian Church**

Date of Service: \_\_\_\_\_ Time of Service: \_\_\_\_\_

Preacher: \_\_\_\_\_ Sermon title: \_\_\_\_\_

Scripture Passage(s): \_\_\_\_\_

Think about the sermon. What was the most important message you heard in it?

How does the music support or enhance the worship?

My favorite part of the service (tell why!):

What would you have done differently if you were in charge of planning the worship service?

Congregational worship can nourish persons on their journey of faith. In what way do you feel nourished or "fed" by your worship experience this morning?

What part(s) of the service did you feel closest to God? Why?

In what way did you experience community within the service?

Any questions?
