The Worship Ministry Group supports the ministers and church staff in all elements of worship. We contribute to the coordination and planning of all worship services. Throughout the year, worship ministry group members oversee the ushers, flowers, communion preparation and serving, banners, sanctuary clean up, lay readers and children's meditations. We also support the music ministries' five adult and children's choirs and the four handbell choirs. We meet once a month for approximately two hours and then additional time is spent as needed for special services. This is normally no more than an additional five hours spread over the whole year.
