

November 1, 2018

We are at an extremely exciting point in the life of Lewinsville Presbyterian Church. After several years of transition, we are entering A New Chapter in our history. We are blessed that Rev. Scott Ramsey is being installed as our Pastor on November 4. We are equally blessed to have named John Nothaft as Director of Music Ministries, and, most recently, to have Rev. Annamarie Groenenboom join us to lead our youth ministry. Lewinsville is poised to have an even more meaningful impact upon the lives of others in our community and beyond.

This coming year, while remaining the openly and unapologetically hospitable, welcoming community of faith that we strive to be, we want to develop even more our intentional approach to providing a place for civil discourse on matters that deeply divide our community, our nation and the world. As part of that effort, we want to continue exploring and planning for a ministry in Tyson's Corner.

In order to accomplish all of this and more, it is critically important that those who have historically made annual pledges to LPC continue to do so. Because the church is about to embark upon a capital campaign during which each of us will be invited to make a commitment to support the renovation of the church building, our pledge goal for 2019 is the same amount as last year - \$1.2 million. The Stewardship Committee is encouraging the congregation to maintain its 2018 giving levels for 2019.

Please prayerfully consider this request. We are counting on you to continue supporting the mission and ministry of Lewinsville Presbyterian Church, a congregation that is beginning "A New Chapter."

Your pledge card may either be mailed to the church office or placed in the offering plate during worship on Sunday, November 18.

With great joy and thanks to God,

Mike Deese
Chair, Stewardship Committee
