

HOSTING A ZOOM CHURCH MEETING

During this time of the coronavirus pandemic, many normal church operations have changed. Chiefly, we are not gathering for in-person worship. Another change is that we are no longer gathering for in-person classes, meetings, or small group gatherings.

By this time, many of you may have already participated in a videoconference version of one of these. Sunday school classes, Confirmation classes, Session meetings, ChristCare group gatherings, Ministry Group meetings and more have already been taking place via the Zoom videoconference platform.

The church has purchased the licenses for up to four simultaneous church gatherings on the Zoom platform. We now have “four Zooms.”

If you are interested in taking advantage of this platform for your church-related class, meeting, or group, you may reach out to Sandy Albrecht (salbrecht@lewinsville.org).

Previously, it was common for a group leader to reach out to Sandy to schedule a meeting, and she would assign that leader a “room.” Now she will assign you a “Zoom,” and she will give you the necessary instructions for hosting a group.

If you have any questions about this, feel free to reach out to Sandy or to Pastor Scott
