

Virtual Volunteering Opportunities

Nonprofits are the backbone of our communities – some are more visible than others in their impact and the needs they meet. While COVID-19 is affecting everyone, nonprofits are particularly feeling the pinch. They must simultaneously adjust their work environments and policies to ensure the safety and well-being of their staff and volunteers while demand for their programs and services surges beyond the scale their networks are prepared to handle. We listed virtual volunteering opportunity categories below. If you are interested in a particular category, we encourage you to investigate these opportunities by selecting one of the links in that category. As you consider the many virtual/remote volunteer opportunities available to you, please keep in mind the nonprofit organizations may be delayed in responding to your expressions of interest and/or inquiries.
