SERVICE FOR THE LORD'S DAY

August 7, 2022

9th Sunday after Pentecost

11:00 a.m.

"I was a stranger and you welcomed me."

--MATT. 25:35

WELCOME. We're glad to gather together as a community of faith today. No matter where you are on the journey of faith, you are welcome here, to join in worship and service. All are invited to a time of refreshment and conversation immediately following worship in St. Andrews Hall (down the steps outside the sanctuary, and to the left).

In order to provide a safe, loving, and welcoming environment for our youngest, unvaccinated congregants, as well as immune-compromised congregants, we ask that you wear a mask while inside the sanctuary for a service. Thank you so much for your cooperation.

Please turn off all cellular phones and watch alarms during worship. Please refrain from using flash photography during the worship service.

* AFFIRMATION OF FAITH

(Apostles' Creed)

**I believe in God, the Father almighty, Maker of heaven and earth,
and in Jesus Christ, his only Son, our Lord, who was conceived by the Holy Ghost,
born of the Virgin Mary, suffered under Pontius Pilate,
was crucified, dead, and buried; he descended into hell;
the third day he rose again from the dead; he ascended into heaven,
and sitteth on the right hand of God the Father Almighty;
from thence he shall come to judge the quick and the dead.**

the communion of saints; the forgiveness of sins;

Movie: The Mitchells vs the Machines

Rated PG; Runtime 1 hour 54 min

The Mitchells vs the Machines is an animated action-comedy about an ordinary family who find themselves in the middle of their biggest family challenge yet...saving the world from the robot apocalypse. No big deal, right? It all starts when creative outsider Katie Mitchell is accepted into the film school of her dreams and is eager to leave home and find "her people," when her nature-loving dad insists on having the whole family drive her to school and bond during one last totally-not-awkward-or-forced road trip. But just when the trip can't get any worse, the family suddenly finds itself in the middle of the robot uprising. Everything from smart phones, to roombas, to evil Furbys are employed to capture every human on the planet. Now it's up to the Mitchells, including upbeat mom Linda, quirky little brother Aaron, their squishy pug, Monchi, and two friendly, but simpleminded robots to save humanity. BYO blankets or lawn chairs and grab dinner of Chicken Nuggets and prepare to get weird, 'cause the world depends on it!
